

Listen to Success Stories from Busy Users of Team Georgia Marketplace™ on the DOAS website

Team Georgia Marketplace™ has been live and online for nearly one year and during that time many users in the marketplace have experienced a great deal of success and have wanted to share their stories. So, rather than listening to Team Georgia Marketplace™ project leaders talking about successes in the field, the Department of Administrative Services (DOAS) has asked users to tell their stories on the DOAS web page.

The page features the following speakers...

- Brad Douglas, Commissioner, DOAS
- Tim Gibney, Assistant Commissioner, DOAS
- Terry Doumkos, Director, Strategic Sourcing, DOAS
- Paul Kurtz, State Card Program Administrator, DOAS
- Aziz Tashbulatov, Content Manager, DOAS
- LaKeisha Porter, Manager, Department of Human Services
- Verneicher Favors, Manager, Department of Corrections
- Kristi Fuss, Manager, Department of Audits

The page address is <http://doas.ga.gov/TGM/Pages/Testimonials.aspx> or you can click on “Testimonials” in the left hand navigation column of any Team Georgia Marketplace web page. Once on the page, select the speaker you want to hear and you will be presented with links to video comments on several topics. MicroSoft Media Player will open and you will be presented with the video, so you will need speakers or headphones to hear the audio. Each comment is about 30 to 60 second so you can hear about a variety of topics in a short period of time.

A variety of topics

Listen to Verneicher Favors from the Department of Corrections talk about how Team Georgia Marketplace™ has vastly improved their manual procurement process, or you could hear LaKeisha Porter from the Department of Human Services talk about the impact of change on her agency, or hear Kristi Fuss discuss how Team Georgia Marketplace™ can help an agency transform into a paperless environment.

DOAS leaders also provide insight into the business case for Team Georgia Marketplace™ as well as how these new applications are helping Georgia become a better managed state every day. Regardless of who you view on this site, the one thing you will hear is the passion for Team Georgia

Marketplace™ and how it has transformed the purchasing community within the state of Georgia. Team Georgia Marketplace™ project leaders hope these testimonials will not only inform future users of these applications but also inspire an agency to consider becoming users of the Team Georgia Marketplace™.
